

PREPARING FOR ADVENT ACTIVITIES

Hide & Seek memory activity. The prayer throughout the family devotional is repeated each week. It is a prayer that can be memorized to use beyond the Advent season. Cut out paper stars and write a word or two on each star, string them together. Each day during Advent remove a star and hide it in another room in your home.

The challenge is to memorize it so you can fill in the blanks with the missing words!

UNUSUAL

and unexpected

Create a space in your home for the Advent season for your family to prepare their hearts and minds for the celebration of our Saviour's birth. It can be the centre of your dining table, a coffee table, sideboard, etc. Decorate with objects throughout the weeks to remind you of the liturgical season. It's a simple tradition to keep your family focused on Advent. Deep blue is the liturgical colour of this season.

You could start with a blue cloth or placemat. You could add an Advent wreath with real or battery operated candles. Add a small creche or manger. Get creative! We would love to see what you create! If you would like to share, please send pictures to helpful@lll.ca.
