THE BIBLE IN REAL LIFE

In today's verse, Mark writes that John was God's "messenger" to help tell people about Jesus!

Write some ways you can be God's messenger and share His love!

THE ADVENT WREATH

During the Second Week in Advent, we light the second candle called "The Candle of Preparation."

It reminds us that God prepared the world for when Jesus was to be born in a manger by using John and many other people! Colour in the wreath and the flame of the first and second candles!

Prayer

Let us pray together: Dear Father in Heaven, thank you for sending people like John the Baptist to prepare people for their Messiah, your Son Jesus. Help us to remember the waters of our Baptism and how it poured the Holy Spirit into our hearts to save us. Give us great joy in daily repenting. In Jesus' name we pray. Amen.
