WHAT STATIONS ARE SAYING

“ I have enjoyed working with Lutheran Laymen's League for over 10 years. All the stations I work with that carry their programs have had a positive experience. Their programs attract a loyal and dedicated audience adding value to the Sunday schedule.

ANDREW KRAUSE, TARGET BROADCAST SALES INC.

“ Our experience working with Lutheran Laymen's League of Canada has been exceptional. Lisa and the entire LLL Canada team are professional, responsive, dependable, and simply a pleasure to work with. From a station's perspective, they have been everything you could hope for in a ministry broadcast partner.

But beyond the excellent working relationship, I genuinely enjoy listening to The Lutheran Hour myself. ...what stands out to me is that the heart of the program is Jesus Christ and the message of the Gospel—and ultimately, that's what Christian broadcasting should be about.

I would have no hesitation encouraging other Christian radio stations to consider airing The Lutheran Hour and partnering with LLL Canada. You'll find a great team to work with and, more importantly, a ministry committed to sharing the hope we have in Jesus.
